

Allanson Street Primary School Newsletter

30th June 2017

This week: This week, some of our Year 6 children have had induction days at their chosen high school. We hope they all enjoyed their time getting to know their new teachers and friends.

Next week: Due to the rain this week, our sports day is now planned for Monday. In the morning the junior sports day will take place and in the afternoon, the infant sports day will take place, (weather permitting). We will notify parents by 8.30am on Monday morning if weather conditions prevent sports day from taking place. The Year 6 children moving on to Haydock High and Sutton Academy in September will have their induction days this week. On Tuesday, Year 5 will go on a trip to the Ice Cream Farm. On Wednesday, our Foundation Stage, sports activity sessions will take place. On Thursday, Year 2 will be having a 'Seaside Day' in school.

Sports Day: Monday 3rd July, will be our annual sports day. Juniors will begin at 9.30am and the Infants at 1.30pm. You are all welcome to come and watch. Please can ALL children have PE kits in school. On the day, there will be refreshments for sale for yourselves and we will provide the children with drinks and snacks. If the weather is nice, please apply sun cream on your child before coming to school and provide a sun hat/cap for them to wear. KS2 children can come to school dressed in their PE kits and bring with them their uniform to change into. KS1 children are to come in their uniform and will change later. We look forward to seeing you at the event.

Sports News

If your child achieves anything out of school from a sports club please let Mrs Hawkins know and we will mention it in the newsletter. The Year 6 cricket team played extremely well in a tournament. We are all very proud of these children.

Clubs week beginning ^{30th June} :

Monday - Year 5/6 Tag Rugby (Allstars)

Tuesday - KS2 Thriller Dance (Lucy)

Thursday - Year 5/6 Football (Allstars)

Please note : I made a mistake in last week's newsletter. Lucy is still willing to do KS2 Thriller Dance until the end of the year.

There will be no more Year 4,5,6 Rugby on a Wednesday

There will be some changes to class teachers for September 2017 and these were on the newsletter last week. As in previous years, we will be mixing the Y2 children into 2 new classes for their start in Y3. The class teachers have already started this process by asking the children to identify friends who they would like to remain with. If you have any information you want to pass on before the classes are finalised please come and speak to the class teachers. The decision has been taken not to mix the Y4 children (this year and in future years). This is our first group of children who were mixed at the end of Y2 and we do not feel we would gain anything from mixing them again. Children will meet their new class teachers on transition morning Monday 17th July.
