This week: On Monday, four of our School Councillors took part in an event at the Town Hall to learn about future developments for the town. On Wednesday, our Year 1 classes went on a trip to Build a Bear, we look forward to reading the adventures of the class bears over the coming year.

School App If you do not yet have the school app installed on your mobile phone please will you do this as soon as possible. We are hoping to reduce our photocopying costs by sending almost all our letters out via the app. You can find the app in the app store if you search 'Allanson Street'. Please speak to the office staff for the password and any other queries you have. Thank you.

Very Important Reading Meeting! You may remember that this time last year we ran three meetings focusing on improving reading across school. We offered a free book for every child and the meetings were a great success! We are offering these meetings (and free books) again this year but the focus will be on improving maths and English outcomes and supporting learning more generally. We would urge you to come along to one of the meetings (the content is the same every day). The meetings will run on the following days: Tuesday 10th October, Wednesday 11th October and Thursday 12th October 9am - 9.45am. Please try to come along.

Bikes and Scooters

Please make sure that children **do not ride bikes and scooters** outside the school entrance or on playgrounds at the start or end of the day. It is very dangerous to other children and adults. Please help us to keep all the children safe. Thanks.
