Introduction to Working with Children workshop

This workshop is for any parents or carers who are considering working or volunteering with children or young people aged 0-19.

The one off workshop will be for 2 hours.

The workshop will cover:

- What jobs and volunteer opportunities are available
- What skills you would need
- How experience can be put in to practice
- Signposting you on to the right path to take

After the workshop there is the opportunity to progress on to **Introduction to Working with Children** short course and then onto **Level 1 Qualification in Child Development**.
