

# Allanson Street Primary School Newsletter

Friday 16<sup>th</sup> March 2018

**This week:** Thank you to all the parents/carers of our Year 2 children who came to the SATs meeting on Tuesday. We hope you found the information useful to support your children over the coming months.

**Next week:** On Monday, Tuesday and Wednesday we have our parents evening. Appointment times should now have been sent home with your child. Please speak to the class teacher if you have not received a time slot. Sophie, our school nurse will be available at parents' evening on Monday and Tuesday if anyone wishes to speak to her for help or advice. On Wednesday, the photographer will be in school doing class photos. Year 2 will also have a visit from a mobile animal farm, letters have been sent home about this. On Wednesday and Thursday, our Year 1 and 2 children will take part in 'Songfest' at the Town Hall.

**Sponsored Run:** Lewis Taylor (Y4) and his family are entering a sponsored run in the midlands on 7<sup>th</sup> April. They will be running to raise money for our Y4 pupil Alex Prescott who is continuing his battle against Leukaemia. There will be more information about this next week but you can sponsor them through school or by the following link: [www.gofundme.com/alexs-family-breakfun-adventures](http://www.gofundme.com/alexs-family-breakfun-adventures) Many thanks if you can help.

Next week is Sport Relief. We have a number of things going on throughout the week as well as the many sports clubs and PE sessions that always take place. On Monday, Sport Relief will be launched during assembly when the children will watch a video and learn about this charity. During the week the children will learn a song in class, which will be performed in Friday's assembly.

Each class will take part in a half hour 'Just Dance' session at a convenient time in the week. On Friday 23<sup>rd</sup> March all children will complete a 1mile run on the school field. Also on Friday, the children may come into school in sportswear (non-uniform) and we ask for a £1 donation to Sport Relief. Thanks for your support.

## Word of the Week (talk about it and use it as often as you can!)

Year 1 - landscape Year 2- omnivore Year 3 - seldom Year 4 - tangible Year 5 - permeable Year 6 - hindrance

**2018 FINALIST**

Our School Council has been working incredibly hard this year again. As with every year, they launch an Echo Initiative each spring. This year's is called 'The Problem with Plastic' and its aim is to reduce plastic waste around school. So far the School Council have introduced plastic recycling bins around school and have helped our school become a 'Plastic Straw Free School'. In recognition of this great work along with our existing eco initiatives, such as composting fruit and vegetable waste, our school has been shortlisted as a **finalist** in the Echo Eco Awards which take place on 26th April 2018. Staff members in school are attending in the hope that we will walk away with the award! Our school, along with the other finalists will appear in the edition of the Liverpool Echo on 23rd March.
