

# Allanson Street Primary School Newsletter

Thursday 29<sup>th</sup> March 2018

**This week:** Our Achievement & Standards committee of the governing body met this week to discuss Pupil Premium and Governor Mark assessment. The Friends of Allanson Street ran a very successful Easter Bingo on Wednesday evening. This event was very well supported by families so thank you to everyone who came to join in the fun and a big thank you to members of the committee and school staff who helped to run the evening. Today we had our final Easter assembly and 100% attendance awards. Well done to 157 children who have had 100% attendance this term.

**Week beginning Monday 16<sup>th</sup> April:** We look forward to the Art Exhibition on Wednesday 18<sup>th</sup> April in the Thompson centre when you will have a chance to view your child's recent art work (framed and looking very professional!).

**School closes on today at 3:15pm. We return on Monday 16<sup>th</sup> April.**

**Parent Questionnaires:** Thank you to everyone who completed a questionnaire on parents' evening. We received hundreds back with lots of positive feedback. The results of these will be collated during the Easter holiday and will be shared with governors. If you would like to complete the Ofsted online parent questionnaire it is always available through Parentview. There is a link on the 'Family and Community' tab on our school website. If you have a spare 10 minutes please log on and share your views of school.

**Sponsored Run:** Lewis Taylor (Y4) and his family are entering a sponsored run in the midlands on 7<sup>th</sup> April. They will be running to raise money for our Y4 pupil Alex Prescott who is continuing his battle against Leukaemia. Alex joined our school earlier this year and has settled into his new year group incredibly well. Alex has battled Leukaemia three times in the last 2 years and he continues to come to school with a huge smile and a great enthusiasm for his new friends and for learning. Alex won Pride of St Helens Child of Courage 2017. You can sponsor them through school or by the following link: [www.gofundme.com/alexs-family-breakfun-adventures](http://www.gofundme.com/alexs-family-breakfun-adventures) where you will find lots more information about Alex and his brave battle. Please help to put a smile on Alex's face to plan an adventure with his family. Many thanks if you can help.

## Sports News

We have already signed up for lots of tournaments next term. Lots of children will have the opportunity to represent the school in a variety of sports. If your child achieves anything out of school from a sports club please let Mrs Hawkins know and we will mention it in the newsletter.

### Clubs week beginning 16<sup>th</sup> April:

Monday - Year 4 Tennis (Allstars)

Tuesday - KS2 Thriller Dance (Lucy)

Year 5/6 Cricket (Chris Chambers Lancs CC)

**ECHO**

ENVIRONMENT  
AWARDS

In association with

2018 FINALIST

Our School Council has been working incredibly hard this year again. As with every year, they launch an Echo Initiative each spring. This year's is called 'The Problem with Plastic' and its aim is to reduce plastic waste around school. So far the School Council have introduced plastic recycling bins around school and have helped our school become a 'Plastic Straw Free School'. In recognition of this great work along with our existing eco initiatives, such as composting fruit and vegetable waste, our school has been shortlisted as a **finalist** in the Echo Eco Awards which take place on 26th April 2018. Staff members in school are attending in the hope that we will walk away with the award! Our school, along with the other finalists appeared in the edition of the Liverpool Echo on 23rd March.
