

Allanson Street Primary School Newsletter

Friday 4th May 2018

This week: Thank you to the Year 1 families that came along to the Phonic Screening meeting, we hope you found it useful. For those that couldn't make it, you should have received a pack with all the information. Today, our Reception classes went on a trip to Blackpool Zoo. We hope they have all had a fabulous time learning more about the animals.

Next week: School is closed on Monday for the May Day Bank Holiday. On Wednesday, there is a meeting for the Year 4 parents/carers of children going to PGL. The meeting will be held in Mr Billinge's classroom at 3:20pm.

Y6 York Holiday: There will be a meeting on Thursday 24th May at 6pm for the parents/carers of the pupils going to York this year. Please try to keep this evening free so that you can come along to find out more and to sign any necessary forms. Many thanks.

Parking

Please do not park on the driveway in to school, cones are placed on one side to ensure the safety of the pupils whilst coming into and leaving school. The cones allow enough room for staff and visitors to gain access to the school car park. Parking on the other side causes a hazard to drivers and pedestrians. Please leave this area clear.

Contact Details

Please ensure we have the correct contact details for your child/ren in case of an emergency. We also send important information out via text. Please let the office know if you have changed your number.

Sports News

Well Done to the Year 3 / 4 Girls Football Team, who took part in a Football Festival yesterday. They played amazingly well, coming 2nd in their group.

IMPORTANT THRILLER DANCE INFORMATION

You are not able to buy tickets direct from school. You need to purchase them direct from the Theatre Royal Box Office. (01744 756000)

. You will need to be quick getting tickets as from past experience, they sell extremely quickly.

Many thanks

Have a good bank holiday weekend

P Farnell

(Headteacher)

ECHO
ENVIRONMENT
AWARDS

In association with

2018 WINNER

It is with great pride we are able to announce that our amazing School Council ensured our school received the accolade of 'Sustainable School of the Year' in the Echo Environment Awards on Thursday evening. This award was granted in recognition of all the council's work this year on reducing plastic waste which includes: banning plastic straws, replacing plastic drink stirrers with wooden ones and recycling plastic waste around school including in our dining areas. We also received recognition for expanding our fruit and vegetable compost programme.

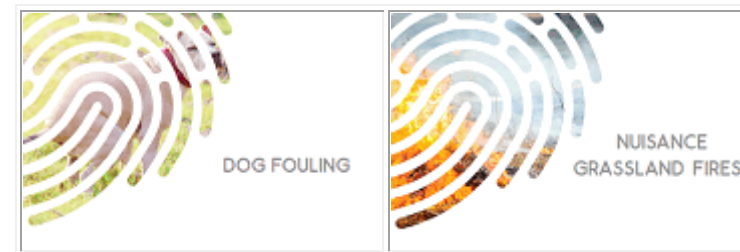

Please visit our school website to find out more information about the night, including pictures from the awards night. As well as the news update on our homepage, please also visit the 'Our School Council' tab within the 'Our School' section.

You will also find coverage of the awards evening on the Liverpool Echo website.

A huge congratulations once again to all of our outstanding councillors: Sienna, Emily, Alex, Ethan, Lacey, Harvey, Grace, Rebecca, Olivia, Charlotte, Mia, Clayton, Alex, Molly and our Head councillor Alesha. You've made our school very proud!

St.Helens Council's Safer Communities Team, along with partner agencies: Merseyside Police, Merseyside Fire & Rescue Service & Registered Social Landlords, are working together this month as part of an annual clampdown on anti-social behaviour.

With the nights starting to stay lighter for longer, residents should be able to enjoy their evenings - whether it be by going out for a stroll in our parks and open spaces, or by sitting out in their own back garden – without it being ruined by inconsiderable people carrying out anti-social behaviour so we want to encourage the public to be #Ready2Report the following types of nuisance behaviour:

As well as stepping up Police patrols to hot-spot problem areas in St.Helens, our partners have been running community cleaning/skip days & awareness days & our we are also running a drive to tackle underage drinking with our ACE pledge for parents to sign and proxy sales campaign targeting underage alcohol sales with our Trading Standards Department.
