Another bike was stolen from the bike rack this week. Please make sure all bikes are locked. We have just bought a long cable lock to secure through all the bikes at 9.15 and release at 3pm but all bikes are much safer if children have their own lock. Scooters cannot be secured with the new cable lock and should not be left in the bike rack.

There was no celebration assembly today as we had our second performance of 'A Night at the Musicals'.

Many thanks

Have a good weekend.
