As a celebration of our whole school 'Sing for Songbirds' project, we will be creating an interactive rainforest installation in the hall. This will be open to parents / carers after school on the 3rd, 4th and 5th July. More information will be sent home soon.

This Week's Highlights

- In Nursery, we have started our topic about pirates. The children have been learning how pirates spoke and lived. They have been taking on the role of a pirate in our role play area.
- In Reception, we were shocked to discover that the "Pirates who love underpants" had ransacked our classroom and stolen some of our toys. We have spent the week learning more about Pirates to stop it happening again!
- Year 1 have enjoyed being artistic this afternoon, making a start on lots of work for our sing for songbirds project.
- Year 2 have enjoyed conducting a scientific investigation to decide on the best conditions needed for seeds to grow. We will look forward to finding out the results of this next week!
- Year 3 have been learning all about Light in Science this week and have also worked very hard on a special piece of writing looking at the 'for' and 'against' of animals being kept in zoos.
- In Year 6 we have thoroughly enjoyed continuing with our Sing for Songbirds work and rehearsing our production.

What's Coming Up Next Week (and beyond)?

- Y3RH and Y5EH will be swimming on Tuesday
- Year 3 can't wait for the trip to Martin Mere on Friday.

Sports News

Well Done to Evie S (Y3) and Grace L (Y4) who won
Gold Medals in a local authority skipping
competition. Both girls are the fastest skippers for
their year group across St Helens. We are
extremely proud.

Well Done to Maisie L (Y4) who has achieved more
certificates at Gymnastics. She can now jump on a
springboard and do 5 situp! Impressive!

Madison D in Nursery has just passed her SATD
Ballet exam – what a superstar!
