

Allanson Street News

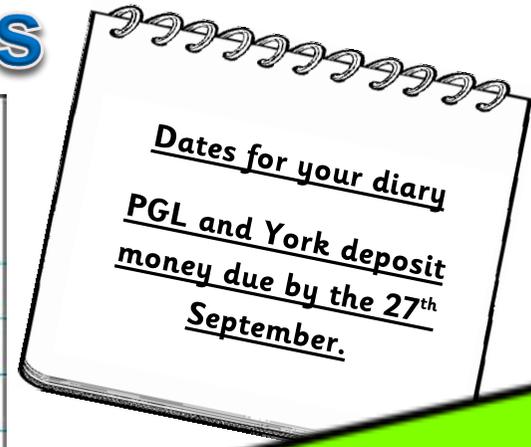

This Week's Highlights

- We have had a busy week getting to know all of our new friends in the Nursery and finding out what toys and activities we can do.
- Year 1 have had lots of fun this week completing pirate themed activities, we topped it all off with an excellent pirate party today.
- Year 2 have enjoyed beginning to learn about our 'wonderful world' and sharing stories about other countries their relatives live in and places they have visited on holiday
- Year 4 have settled in really well and have enjoyed starting their new science topic on electricity. Mrs Onyett's class also enjoyed their first swimming lesson of the year whilst Y4EK started their dance lessons.
- On Tuesday, Year 5 had a wonderful time playing on the 'Adventure Playground for Alex'. Although some children were a little afraid of heights, they all gave it a go!
- Year 6 have worked so hard to complete their first assessments and have really enjoyed creating different models to help expand their knowledge of the water cycle.

What's Coming Up Next Week?

- Year 5's first lot of homework will be due in on Tuesday 17th September. We will also be continuing to work on our Romans and Space topics.

Please could you send any shoe box donations to your child's teacher next week.

We are also holding a Macmillan cake sale on Friday 27th September. All donations welcome.

Please remember to label **ALL** of your child's clothing, this reduces the amount of 'lost property' we are left with at the end of the day.

Please remember only 'Blue Badge' holders can use the staff car park. Please bring your blue badge to the office for approval to park in the car park – this applies to those that currently access the car park.

In Other News...

We will be having our 'Making Good Progress' meetings for parents/carers on Thursday 26th/Friday 27th September 9am with the offer of free books once again. Save the date!
