This Week's Highlights

- Nursery made some chocolate cakes this week talking about how we can melt chocolate. We have also been adding shape windows and doors to our painted houses.
- Reception have been busy learning all about the number 2 this week. We made repeating patterns with two colours and added body parts that come in twos to the Gruffalo.
- Year 1 have really enjoyed visiting the library this week, we learned all about the different types of books they have and how to get a library card.
- Year 2 have enjoyed learning about the capital cities of the 4 countries in the UK. We have found out about lots of interesting monuments and famous buildings-ask your child to fill you in on their new learning!
- Year 3 have enjoyed science work this week, focussing on magnets and magnetism. We have had fun testing to see which materials are magnetic or not!
- Year 4 have conducted their own science experiments and have found out what materials are conductors and insulators. We have also started our new topic based around the text 'There's a Rang-Tan in My Bedroom'.
- In Year 5, we have been putting our rockets to the test. We looked at how a chemical reaction between water and vitamins could make our rockets take off. Have a look at our video and pictures on the website!
- In our Year 6 science lessons, we have been learning about inheritance. The children have enjoyed learning about what physical features can be inherited and thought about what physical features they have inherited from members of their family.

Dates for your diary

A SATS meeting for our Y6 parents is on Tuesday 15th October from 5:30pm – 6:30pm

Next week, our value is integrity.

School Milk

Reception, Y1 and Y2 pupils who are not eligible for free school meals will need to pay for school milk. £2 per term or £6 for the year

Change in dinner arrangements

Please notify the office in writing one full week in advance.

Medical appointments

Reminder that evidence is required if taking your child out during the school day.

Please remember to label ALL of your child's clothing, this reduces the amount of 'lost property' we are left with at the end of the day.

Please remember only 'Blue Badge' holders can use the staff car park. Blue badge holders will only be given permission to access the car park once the School Office have seen your blue badge. We will also arrange for a pass to be issued to those authorised, to allow you to access the car park.

Thank you

Sports News

A massive well done to our Year 4 footballers. They have played in tournaments this week and played with great determination, team spirit and sportsmanship.

Next week, some of our Year 3 children will be playing in a football tournament. Good luck to them.

Netballers of the week: Olivia L and Bethany G
