

Allanson Street News

This Week's Highlights

- In Nursery we have been listening to the story "The Enormous Turnip", we have eaten the vegetable soup that we made this week, it was lovely! We also visited the local shop to buy some bread to dip into our soup.
- Reception have continued their story on Kipper's Birthday and solved the mystery of Kipper's missing party friends.
- Year 1 have been learning all about St. Helens this week and we have begun to make our leaflet all about where to visit in St. Helens.
- Year 2 have enjoyed becoming scientists this week and conducting their own experiments to find out if a bigger plane could fly further than a smaller one.
- Year 3 have been exploring our planet this week! We have looked below the surface to discover the different layers and made our own cross-section of Earth.
- Year 4 this week have enjoyed learning about evacuation in WW2. They explored what it was like to be a child during the war and identified items they would have needed to take with them when evacuated.
- In Science this week, Year 5 have been looking at the lunar cycle and why the moon appears to change shape throughout the month. We even found a yummy way to represent the 8 phases of the moon... by using Oreo cookies!
- A Grammar Workshop was held for Y6 parents this week. Thank you to those parents who attended.
- This week, our fabulous Maths Ambassadors carried out their first Puzzle Club session for the Y1 and 2 children. All of the children involved absolutely loved the session and can't wait to join in again next week.

What's Coming Up Next Week?

- Year 5 are taking part in Crucial Crew on Monday afternoon at the Totally Wicked Stadium.
- Next week is Parent's Evening. Please do your best to attend your child's appointment. Remember that Mrs Dingsdale will be in the hall to answer any questions regarding helping your child to learn at home.

Please make sure you keep an eye on our website. Year group pages are regularly updated with news from class as well as information to help you to support your child at home.

Dates for your diary

This Week's Learning at Home

Word of the Week

Nursery – consequence
Reception – Mystery
Year 1 – landmark
Year 2 – properties

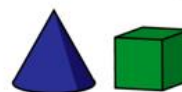

Year 3- cross-section
Year 4 – Evacuated
Year 5 – advantage
Year 6 – coincidence

Problems of the Week

For a chance to win a fabulous maths puzzle, complete one of the problems below and post the answer in the box in the foyer. Remember, you can write your answer on any paper, just remember to write your name on it.

This week, all children who complete the problem of the week will earn a Dojo

The mass of these shapes is 56 g.

Ellen has 45 sweets.

She shares the sweets equally
between 5 jars.

The mass of these shapes is 72 g

What is the mass of each shape?

How many sweets are there in 2 jars?

Sports News

Isabella M received an award for assisting when 2 goals were scored. Isabella plays for Vulcan Wildcats u11s. Well done Isabella!. Well done to Lucy N who came 1st in the Cheerleading Space Jam Competition

Netballers of the week:

Grace L (a skilful shooter) and Lesley G (a talented defender)
