

# Allanson Street News

## This Week's Highlights

- Nursery have been learning about 'melting'. They have made jelly and enjoyed eating it today. We have also created our own 'Veg superheroes'.
- Reception have enjoyed the final instalment of Zog and we discovered that he becomes an air ambulance! This led us on to learning more about healthcare workers and the children have even learned some basic first aid.
- Year 1 created their own collages this week based on the work of Eileen Agar. They loved adding different materials and layers to their teddy template.
- Year 2 have enjoyed writing and painting this week as we have given 'Burger Boy' some advice on healthy eating and designed/painted our own beautiful food worlds based on the work of the artist Carl Warner.
- Year 3 have started the music element of their Kings and Queens of England topic with a look at 'musical rounds' and Tudor square dancing.
- Year 4 this week have enjoyed learning new basketball skills in P.E. The children have been developing their passing and dribbling skills whilst also applying these skills to competitive matches.
- Year 5 are really enjoying learning Spanish! We have so far learnt our colours, classroom commands and days of the week. Test us on what we know!
- Year 6 have been continuing their project on the Stone Age, this week focussing a settlement on the Orkney Islands called Skara Brae. The children have found it really interesting and it's given us some food for thought about how the Stone Age people lived.

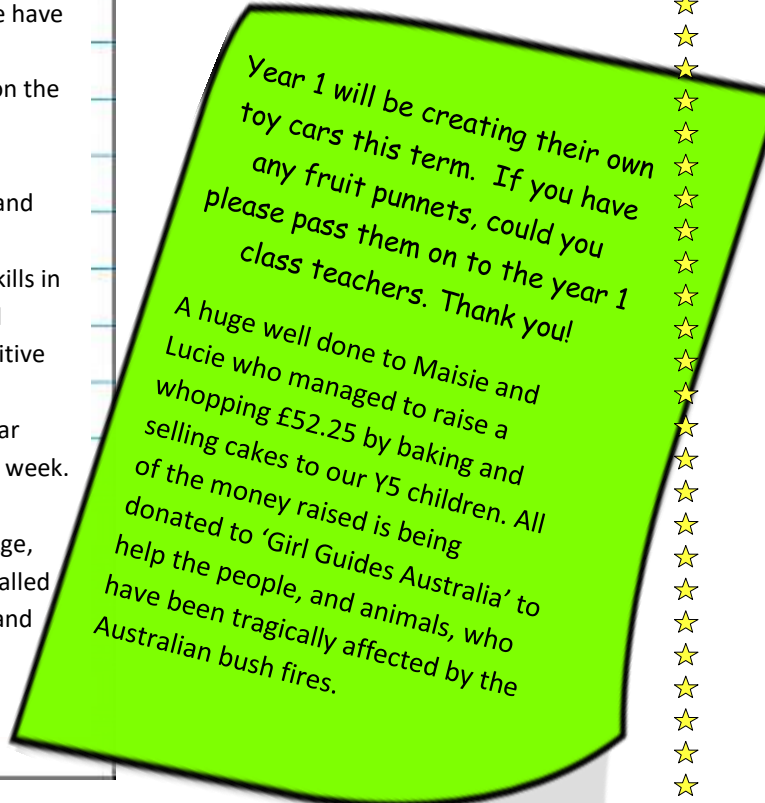

### Dates for your diary

7.02.20- Reception trip to Beeston Castle

wc10.02.20 – Enterprise Week

Our value next week  
is  
Pride

Year 1 will be creating their own toy cars this term. If you have any fruit punnets, could you please pass them on to the year 1 class teachers. Thank you!

A huge well done to Maisie and Lucie who managed to raise a whopping £52.25 by baking and selling cakes to our Y5 children. All of the money raised is being donated to 'Girl Guides Australia' to help the people, and animals, who have been tragically affected by the Australian bush fires.

### School Council News

Did you know you can recycle your used batteries and empty crisp packets from home in school?

Simply send them in with your child. Just remember, batteries should be used and crisp packets should be empty.

Thanks to the School Council each class now has their own crisp packet recycling box.

## This Week's Value Stars!!

We demonstrated respect this week:

**Nursery:** Jessica B,  
Bryonie K-A, Lottie P,  
Alfie P

**Year 3:** Adam, James,  
Dillan O, Sophia H

**Reception:** Kayla H,  
Lilliana M, Cole D,  
Scarlett L

**Year 4:** Kate M, Kasia H,  
Maisie L, Preston M

**Year 1:** Maiya M, Drake  
G

**Year 5:** Kaydie-Leigh S,  
Tia D, Toni D, Mary J

**Year 2:** Lewis P,  
Jazmine R, Lillie H,  
Esme F.

**Year 6:** Max H, Michael  
C, Tyler K, Miley A

### Young Citizens

KS1 – Madison D, LKS2 Phoebe A-, UKS2 Dean A-

### Attendance Winners

Early Years – Mrs Glynn's Class 93%

KS1 – Mrs Boydell's Class 95%

LKS2 – Mr Garry's Class 96.6%

UKS2 – Miss Kellett's Class 95%

## This Week's Learning at Home

### Word of the Week

Nursery – melt  
Reception – rescue  
Year 1 – experiment  
Year 2 – offspring

Year 3 – treason  
Year 4 – excavation  
Year 5 – trait  
Year 6 – apparent

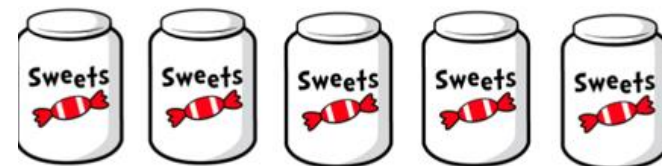

### Problems of the Week

For a chance to win a fabulous maths puzzle, complete one of the problems below and post the answer in the box in the foyer. Remember, you can write your answer on any paper, just remember to write your name on it.

This week, all children who complete the problem of the week will earn a Dojo

Ellen has 45 sweets.

She shares the sweets equally  
between 5 jars.

How many sweets are there in 2 jars?

A plea to all parents / carers: Please don't allow your child to bring energy drinks into school. They contain high levels of caffeine and sugar and have been linked to obesity, tooth decay, headaches, sleep problems, stomach aches and hyperactivity.
