

Allanson Street News

This Week's Highlights

- Nursery children have had great fun creating the dough badges and biscuits for the Enterprise week. We hope everyone that bought from our stall enjoyed them!
- Reception have enjoyed making Rice Crispie squares, sun catchers and decorations for our Enterprise week. Thank you to everyone who bought from us
- Year 1 have worked really hard this week; learning all about global warming and how it is effecting the North Pole and its polar bears. We had lots of fun making slime and selling it on our stall.
- Year 2 have enjoyed learning about the real life Indian village of Chembakoli. We discussed the 'man village' featured in Jungle Book and found out that places such as these do exist. We then learned about the houses people live in and jobs they do in this part of the world.
- Year 3 have thoroughly enjoyed taking part in Enterprise week – from making our marshmallow pops to working out our potential profits. Thank you to everyone who supported us!
- Year 4 have enjoyed budgeting, making and selling their products during Enterprise Week. The children have learnt how to make recycled seed bombs, fairy cakes and badges.
- Year 5 visited St Peter's Church on Wednesday and had an excellent time! They learnt all about different parts of the church, they explored the graveyard (collecting litter on their way) and they also planted some bulbs in the garden. Thank you to Reverend Pauline and the volunteers who helped to make our visit so lovely.

Dates for your diary

- 24.02.20 – Nursery Open day 2PM for invited parents and children
- 27th February – SpaG parents course (session 1)
- 28.02.20 – Spanish Launch Day (more information to follow)

Twisted Tales For Terrible Children - Gav Cross

Parr Library, Fleet Lane, WA9 1SY.
Wednesday 19th February, 10.30am & 2pm

Gav Cross is an exceptional storyteller who delivers tales we all know and love but from a different point of view. Join us in our giant pop-up story cave for some twisted tales from around the world and silly stories that guarantee a giggle.

Tickets

Tickets are £3 or £8 for a group of 4 and can be booked at Parr Library or online at: www.citadel.org.uk

A huge thank you and well done to all of our children and staff who have pulled out all the stops to create and run our amazing Enterprise Market. Our hall looked sensational!

A huge well done to our winning year groups: Year 1 managed to make a whopping £109.30 profit, whilst Year 5 made a fantastic £105.69. In total, we made £520.40 profit. As the winners, Years 1 and 5 got to decide which charities will benefit. Year 1 are going to split their share of the profits between sponsoring a polar bear through the WWF and the St.Helens branch of the RSPCA. Whilst, Year 5 are going to use their money to buy plants and trees which they will plant at St.Peter's Church in Parr.

This Week's Value Stars!!

We demonstrated kindness this week:

Nursery: Bella C, Leo B, Auria, Kylan P

Year 3: Matilda H, Harrison C, Logan M, Kamel

Reception: Martin D, Nevaeh W, Lorna B, Zien R

Year 4: Joel, Kate, Matthew and Jamie

Year 1: Lexie D, Leo P

Year 5: Jacob M, Sophie H, Grace L, Dean S

Year 2: Alexis R, Poppy H, Preslava D, Esme F

Attendance Winners

Early Years – Mrs Glynn's Class 91.4%

KS1 – Mrs McLoughlin's Class 98.3%

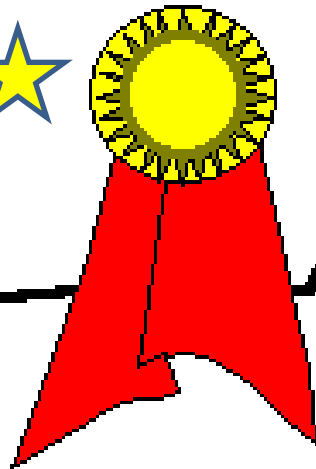

LKS2 – Mrs Onyett's Class 99.2%

UKS2 – Mr Regan's Class 95.7%

Maths Whizz Champion Scarlett D Y6KK

Reading Plus Champion Lewis T Y6JM

This Week's Learning at Home

Word of the Week

Year 1 – endangered

Year 2 – Islam

Year 3- balanced diet

Year 4 – addiction

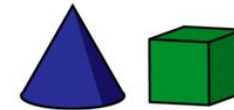

Year 5 – Compassion

Problems of the Week

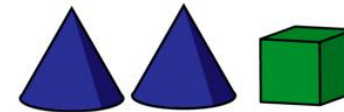

For a chance to win a fabulous maths puzzle, complete one of the problems below and post the answer in the box in the foyer. Remember, you can write your answer on any paper, just remember to write your name on it.

This week, all children who complete the problem of the week will earn a Dojo

The mass of these shapes is 56 g.

The mass of these shapes is 72 g

What is the mass of each shape?
