This Week's Highlights

- The Nursery children have been learning the story of "Jack and the Beanstalk", they have retold the story using a story map and actions as well as using story props. They also explored the story as they role played it to the piece of music "In the hall of the mountain king" by Edvard Grieg.
- Reception have been learning the story of Jasper's Beanstalk. We have had lots of fun planting our own beans and cannot wait to see what happens. We have also enjoyed making our own rain and rain artwork.
- Year 1 We've had another wonderful week back and we've been busy making our own version of Dear Zoo while we've also been learning about other artic animals and animals native to the UK.
- Year 2 have been working really hard on beginning their non chronological reports this week. We are linking them to our science work about animals, habitats and life processes. The children have chosen their focus animal and used the iPads to research key facts ready to write up next week.
- Year 3 have enjoyed continuing with our Colour Monster theme this week! We have written about a day in the life of the Colour Monster, focussing on exciting verbs and similes to use. We have also enjoyed our colourful artwork linked to this story!
- Year 4 have been continuing our work on Flotsam and exploring an exciting old camera purchased on Ebay. We have enjoyed finding out about the power of a good persuasive advert. The children are also VERY excited to have begun learning how to play the flute-letters to allow them to bring their instruments home will be sent as soon as we receive them from the music teacher!
- Year 5 have been working hard in every lesson. We have really enjoyed reading their diary entries in English and they have worked extremely hard solving addition and subtraction problems in Maths. They have also demonstrated that they are talented artists and have produced some wonderful Egyptian sketches.
- Year 6 have been working hard to solve even more problems in Maths. We've written reviews for a fictional bed and breakfast and used scientific symbols to draw circuits in Science.
