

Allanson Street News

This Week's Highlights

- Nursery have started learning about life cycles; particularly butterflies. They have listened to the story "The very hungry caterpillar" and are beginning to learn the story along with actions so that they will be able to retell it independently. They are curious about the caterpillars that we are looking after and love to check if they are growing.
- Reception have enjoyed the beginning of the story "Bog Baby". As well as creating our own story maps, playing "Bog Baby 3 in a row" and making our own bog we went hunting for one of our own in the school pond.
- It has been a lovely return to learning for Year 1 after the Easter break. We have been finding out all about the days of the week and months of the year in maths and have loved ordering them with their friends. They have also explored tempo and pulse in music.
- Year 2 have been finding out all about Sir David Attenborough this week and wrote a mini biography about his life. In the afternoons they have enjoyed being little scientists, going outside on the field and identifying the leaves of different trees.
- Year 3 have loved reading our new story in English this week, called 'Tuesday'. It was all about a frog invasion and those cheeky frogs even sneaked into school on Tuesday night!
- Year 4 have enjoyed learning about civil rights and environmental activists this week and the ways in which people can make a difference to both their local communities and people all around the world. As part of our science topic we have been learning about how scientists classify animals into groups and loved researching our own unusual animals including an amazing dancing bird of paradise!
- Year 5 have taken part in a number of activities and class discussions this week about how we can not only make in a difference within our school community but also our local and wider community. We have been blown away with their enthusiasm and they are all inspired to continue to make a positive impact within our community. Y5NO worked really hard completing their community project at Nanny Goat Park and had a little free time to enjoy their efforts. Y5AR will take part next week.
- Year 6 have really enjoyed taking our learning outside this week. We have used the playground and field for PSHE, drama and class story. We have been so impressed with the hard work the children are putting into their learning.

Out of School Achievements

If your child has accomplished something special outside of school, please let us know so that we can celebrate them here.

Lots of our children have gone above and beyond this week both in school and out of school in a bid to make our school and local community a better place. I am so, so proud of each and every one of them. Thank you so much children – you are all superstars!!

Dates for your diary

Parent's Evening 26th and 27th April 2021. Don't forget to make your appointment.

Wednesday 28th April- Reception trip to Martin Mere.

Polite Reminders...

Please remember, when on the school site:

- Follow our one-way system around school.
- Only one parent / carer per family.
- Wear your face covering unless you're exempt.
- Keep your distance from other families.

This Week's Value Stars!!

Nursery: Layla B, Terry A, Amanda H + Jaxson W
RRG: Logan D, Toby H, Imogen L + Bryonie K
RKI: Imogen L, Bryonie KA

Year 1: Eidenas I,
Scarlett Rose E,
Lexi, Jax

Year 4: Nick, Marcie,
Hadyn, Daniel.

Year 2: Alfie B,
Chloe B, Emily C,
Eve-Marie S

Year 5: Layla C, Jamie
H, Lexi K, Ashton C

Year 3: Grace F,
Jakub L, Megan G
and Joshua M

Year 6: Ellie K, Oscar
B, Ruben M, Jack W,
Ellie-Rose B

Attendance Winners

Early Years - RRG/RKI 98.6%

KS1 - 1TE 99.3%

LKS2 - 4EK 99.3%

UKS2 - 6KK 93.7%

This Week's Learning at Home

Word of the Week

Nursery - hatch
Reception - bog
Year 1 - cunning
Year 2 - swell

Year 3 - frantically
Year 4 - influential
Year 5 - impact
Year 6 - adorned

Problem of the Week

Who will win this week's challenge? Please DOJO your child's class teacher with answers!

1. Will is driving 412 miles to the beach. He stopped at a rest stop after driving 148 miles. How many miles does he have left to drive?

2. Mark needed 24 cans of soda for his pool party. The soda cans come in packs of 6. How many packs does Mark need to buy?

3. Ken is having a BBQ! He made 37 hot dogs and 26 hamburgers. How many hot dogs and hamburgers did Ken make altogether?

4. Daisy counted 7 starfish on the beach. Each starfish has 5 legs. How many starfish legs did Daisy see on the beach?
