Allanson Street News

Our value next week is

Kindness
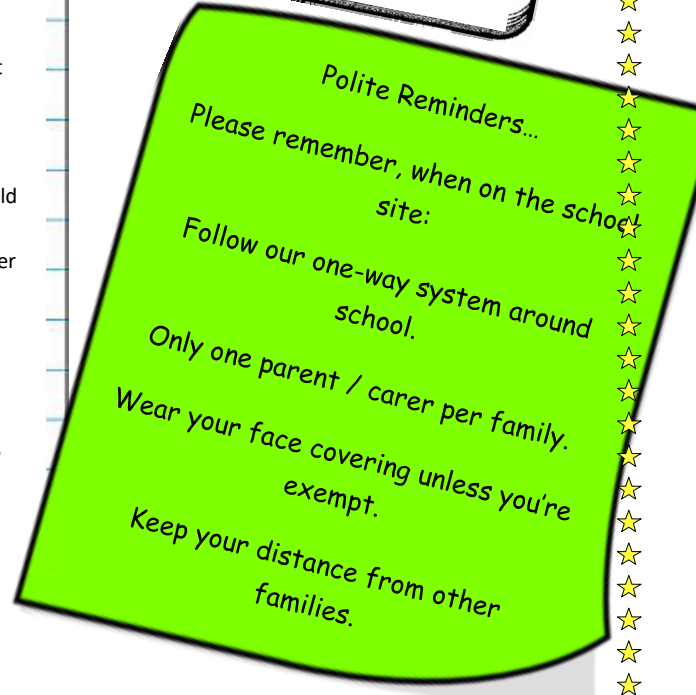

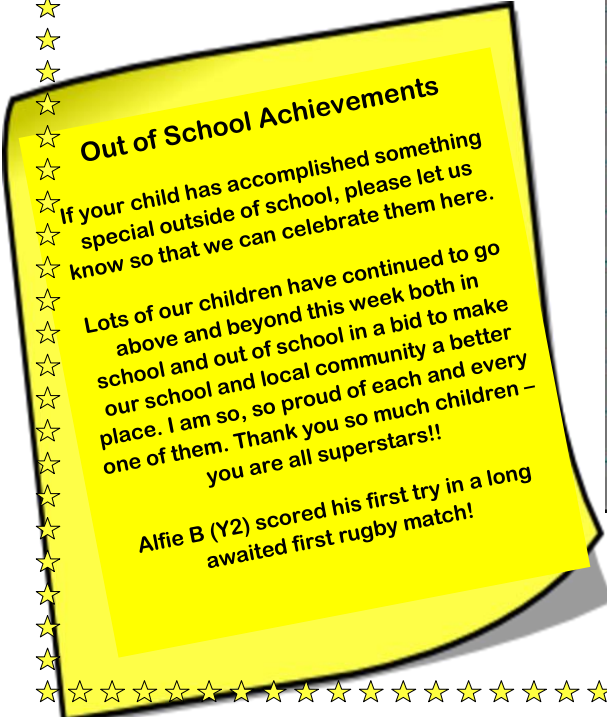

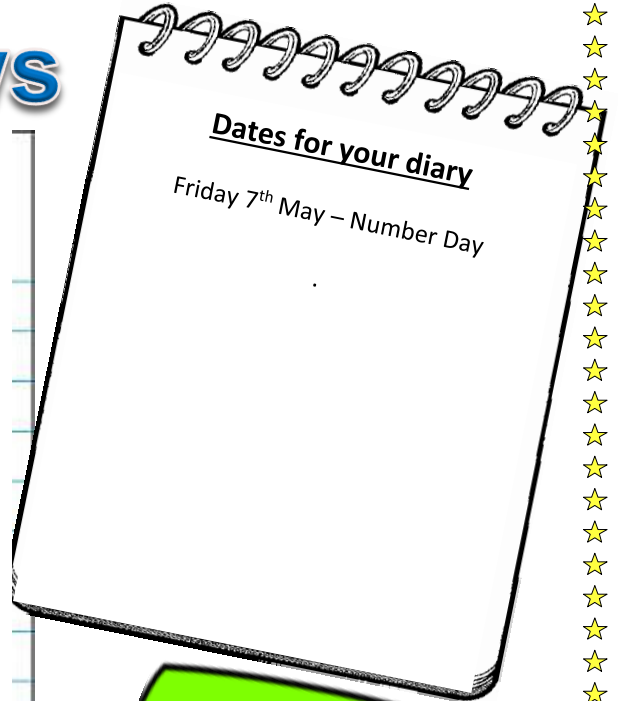

This Week's Highlights

- Nursery children have amazed all the teachers with their retelling of 'The very hungry caterpillar' story. We keep checking our caterpillars and have seen that they have grown bigger, it shouldn't be too much longer before they make their cocoon.
- Reception children have had a wonderful week after reading more of our story 'The Bog Baby'. We have learned more about pond life and the highlight of our week was our fantastic trip to Martin Mere.
- Year 1 have enjoyed a very busy week of learning including making our own wanted posters for the Big Bad Wolf, learning how to read o'clock and half past times as well as learning all about seasonal differences in our topic work!
- Year 2 have been working hard to make our school community and planet a better place this week. We have planted bulbs and flowers on the playground and are taking part in Blue Peter's "Climate Heroes" challenge. The children are doing a fantastic job being climate heroes in an effort to reduce their household's carbon emissions.
- Year 3 have been very busy this week hunting for different rocks around school and discussing what they are used for. We have also been finding out about the fates of Henry VIII's six wives!
- Year 4 have enjoyed learning more about invertebrates this week including their scientific names and how to classify them into groups. We have also continued our quest to make the planet a better, greener place by reusing old cereal boxes and making them into jigsaws for our friends.
- Year 5 have enjoyed continuing their work building up to writing a newspaper report based on the poem 'The Highwayman'. We have also been looking closely at the process of mummification, as well as designing our own 'shaduf'!
- Year 6 have enjoyed working on The Twits in English and have created some amazing pieces of writing including a letter, a description and a set of instructions. We have also continued our work on L.S. Lowry in Art and have been focusing on drawing figures in different positions.

Dates for your diary

Friday 7th May – Number Day

Out of School Achievements

If your child has accomplished something special outside of school, please let us know so that we can celebrate them here.

Lots of our children have continued to go above and beyond this week both in school and out of school in a bid to make our school and local community a better place. I am so, so proud of each and every one of them. Thank you so much children – you are all superstars!!

Alfie B (Y2) scored his first try in a long awaited first rugby match!

Polite Reminders...

Please remember, when on the school site:

Follow our one-way system around school.

Only one parent / carer per family.

Wear your face covering unless you're exempt.

Keep your distance from other families.

This Week's Value Stars!!

Nursery: Lincoln D, Tilly Mc, Oliver L, Leo & Gracie-Mae S

RRG: Leo D, Lila W
