

Allanson Street News

This Week's Highlights

- Nursery children have continued to learn about the life cycle of a butterfly – our caterpillars are currently ‘making the cocoon’; changing into the chrysalis. The children are eager to see them become butterflies. The children have also been practising their counting skills; collecting as many eggs as they could in 5 seconds.
- Reception children enjoyed the final part of the story of “The Bog Baby” and we were very pleased to see him returned to the wild after the sisters “blabbed”. Don’t forget to read the final story map together this weekend!
- Year 1 have been completing lots of addition calculations this week and have been using their number bond knowledge to help. They have also been finding out about weather patterns here in the UK and different types of extreme weather.
- Year 2 have been testing their maths knowledge this week and reviewing lots of the skills we’ve learnt so far this year. We have also begun to write our own shape poems based on our story Greta and the Giants and continued our project looking at how artists have been inspired by nature.
- Year 3 have been working hard recognising and finding fractions in maths, writing some fabulous ‘show not tell’ sentences in English, as well as having lots of fun learning a new dance in PE from the musical Annie.
- Year 4 have been developing their knowledge of plants this week and learning about the function of each part of a flowering plant before we attempt to grow our own! We have also enjoyed practising our rugby skills and are becoming much more confident with tackling to take the ball. One more session to go next week...
- Year 5 have been working hard converting mixed numbers and improper fractions in maths and have been exploring different newspaper articles. Why don’t you ask them to show you some of the key features they have identified? It has also been great to see the children developing their cricket skills this week and we are sure we have some future cricket stars.
- Year 6 have been working hard on some practical maths this week, we’ve investigated the volume of 3D shapes and started to look at angles. We also enjoyed a brilliant PSHE workshop with some valuable discussions.

This Week's Value Stars!!

Nursery: Theodore T, Gabriel M, Logan O, Bella C and Sophie W

RRG: Aihah- May & Jessica B

RKI: Isaac W-A & Bobby K

Year 1: Nevaeh W,
Daniel, Ellie, Matthew N

Year 4: Dillan, Ruby,
Phoebe, Spencer

Year 2: Skylar L,
Lojanesh S, Amelia F,
Alice-Mai D

Year 5: Jennifer G,
Alfie K, Joseph H,
Alecia D

Year 3: Gracie P,
Miley J, Logan P,
Amelia Ma

Year 6: Amanda S,
Isobel E, Samuel B,
Cohen W

Attendance Winners

Early Years – NAM 95.2%

KS1 – 1JG 97.5%

LKS2 – 3EH 98.7%

UKS2 – 6KK 97.9%

This Week's Learning at Home

Word of the Week

Nursery – respect
Reception - blabbed
Year 1 – persuasive
Year 2 – pledge

Year 3 – snaffled
Year 4 – desolate
Year 5 – Speculate
Year 6 – origin

Problem of the Week

Who will win this week's challenge? Please DOJO your child's class teacher with answers!

	+		= 10		= ?
	+		= 8		= ?
	+		= 5		= ?
