

Allanson Street News

14th July 2023

Our value this month is:

Courage

Reading

Please make sure you listen to your child read at least 3 times a week and record this in their reading records.

For those children not yet bringing a reading book home, please make sure you are reading to them as frequently as possible.

This Week's Highlights

In **Nursery** this we have been preparing for our move to Reception in September. We have looked at some of the things we have enjoyed about Nursery and what we are looking forward to in Reception. We also went on a "treasure hunt" to find the places in school that we will see next year. We loved the dining room and can't wait to eat our lunch there.

This week in **Reception**, we read the story The Pirate's Next Door. We were so shocked at the pirate's behaviour we wrote letters asking them to leave. Then we found out the pirates were kind and caring so we wrote a letter to apologise to them. We have been learning how to share in maths and using our number facts to help us work out how many coins the pirates get each.

This week in **Year 1**, we have enjoyed planning our comics based on our story The Journey. Our imaginations were on top form! We have started learning about time this week. We explored the timeline of our school from 1902 until the present day. We evaluated our amazing weather charts in DT too.

Year 2 have been enjoying watching their science experiments progress this week. They have been amazed at how the plant with water, but no sunlight was the first to germinate and how the plant with sun and water is now growing really quickly too. They have also enjoyed seeing which plant is the healthiest after they have been living in different conditions for a week.

This week in **Year 3**, we have been busy making and painting our desk tidies in DT! On Thursday we visited Farmer Ted's for our end of year trip and had the best time grooming ponies, petting guinea pigs, handling mini beasts, riding a tractor and we even watched a Sheep Talent Show!

This week, in **Year 4** we have had great fun learning about the human digestive system including the organs that make it up and their functions. We have also worked hard to complete our DT projects and designed some fantastic pop up book covers complete with levers, linkages and sliders!

Year 5 have been researching The Titanic after reading The Titanic Detective Agency. They have made powerpoints after researching what the Titanic was like and who travelled on her.

Year 6 have wowed everyone with their spectacular performances in our Night at the Musicals production. We couldn't be any prouder of them all. They have also shown how incredibly mature they are with their attitudes and engagement in our PSHE lessons where we were focusing on our SRE objectives. Miss Matthews and Miss Kellett are two very impressed teachers.

Dates for your diary

- Tuesday 18th July – Y6 Leavers Assembly and BBQ.
- Wednesday 19th July- School closes for summer.

Reminders

Please make sure your child is wearing the correct school uniform. Complete guidance can be found on the school website. If you have any questions regarding uniform, please speak to your child's class teacher.

Remember that we have plenty of pre-loved uniform in our Unicycle centre. If you'd like to access this service, please contact Mrs Browne or Mrs Tyrer via Class Dojos.

Year 5 Maths Whizz
After School
Tutoring

Tuesdays @3:15-
4:15pm

★ This Week's Value Stars!! ★

Nursery : All of Nursery!	Reception: Logan M, Lilah H, Medeea S, Paula B
Year 1: Logan, Isaac S	Year 4: Lucas S, Alex S, Skye H, Gabriel
