Our value this month is:

## Courage

### Reading

Please make sure you listen to your child read at least 3 times a week and record this in their reading records.

For those children not yet bringing a reading book home, please make sure you are reading to them as frequently as possible.

## This Week's Highlights

In **Nursery** this week, the children enjoyed learning about looking after our bodies, learning about washing hands, brushing teeth etc. We looked at photographs of vehicles from the past and compared them with vehicles from the present day. We had a fabulous time on Thursday, working with our families as we completed the activities at our Pirate activity day.

This week in **Reception**, we have continued our learning based around "The Pirate Cruncher". We have made boats and tested them to see if they would float. We used craft materials to create our own scary sea monsters. In maths we have been halving pirate treasure. We had a wonderful pirate adventure day with our children and their parents/carers. Thank you to everyone that came along.

This week in **Year 1**, we have enjoyed completing our weather charts using levers and slides to make them move. The highlight of our week was definitely our trip to Tatton Park where we enjoyed exploring the mansion, farm and grounds.

**Year 2** have worked hard this week planning their own story inspired by the land of take what want from our class text "The enchanted wood". They have come up with some brilliant ideas and from what we've written so far, they are going to be great adventure stories! The children also enjoyed learning more about the seaside in the past during our history lesson.

This week in **Year 3**, we have been doing lots of designing! In DT, we have been using a computer programme called Tinkercad to design desk tidies that we will be making next week. We have also been busy designing a new medicine for George from 'George's Marvellous Medicine' in English and writing up some instructions for him to follow!

This week, in **Year 4** we have enjoyed a lovely, busy week. We have started a new DT project, completed our English stories, learned more about the history of rugby league in the rest of the world and finished the week with our summer trip to Gulliver's World! The children's behaviour was excellent and they were all an absolute credit to our school, well done!

**Year 5** have been on their summer trip to Gulliver's world and their behaviour was excellent. Many surprised themselves by going on rides that they thought were going to be scary, but actually enjoyed afterwards.

**Year 6** have been rehearsing solidly for their final show. They have put in a lot of hard effort and made their first performance this Friday in front of the school. They can't wait until the big night on Monday-it looks like they are going to blow your socks off!
